

2018 3rd International Conference on Advances on Clean Energy Research

Barcelona, Spain

April 6-8, 2018

<http://www.icacer.com/>

Topics of interest for submission include, but are not limited to:

Wind, solar, biomass and geothermal energies
Ocean energy harvesting
Energy efficiency in buildings and appliances
Smart grids and microgrids for green electricity
CO₂ capture and storage
Fossil-fuel power-stations with CO₂ sequestration
Underground and gas-network storages
Future high-capacity energy-storages
Future battery technologies
Power-to-gas/gas-to-power-solutions
Green fuel/energy for mobility
Efficient long-distance transmission in supergrids
Efficient AC/DC/AC energy conversion
Sector coupling for energy creation and storage
Sector coupling at the consumer side
Coupling conventional with green power stations
Measuring and filtering harmonic oscillations in smart grids
Network stability before/after energy transition
Critical smart-grid states and counter measures

Call For Papers

After ICACER 2016 held in Bangkok, Thailand, ICACER 2017 in Berlin, Germany successfully, 2018 3rd International Conference on Advances on Clean Energy Research (ICACER 2018) will be held in Barcelona, Spain on April 6-8, 2018.

ICACER 2018 will bring together the researchers from Europe, Asian Pacific nations, North America and around the world to exchange their research results and address open issues in alternatives fuels, renewable energy systems, energy storage, carbon sequestration, energy efficiency etc. It is one of the important international conferences for presenting novel and fundamental advances in the field of clean energy research.

Important Dates:

Submission Deadline: December 1, 2017

Notification Date: January 15, 2018

Registration Deadline: February 15, 2018

Paper Publication:

All accepted papers after presentation will be published in the conference proceedings and submitted for **Ei Compindex** and **Scopus** Index.

Submission Method:

1. Abstract submission

(It can be accepted for presentation only)

2. Full paper submission

(It can be accepted for publication and presentation)
